The Mayor made a presentation to Chris Shuttleworth, who had retired from his post of Emergency Planning Officer at the beginning of the year, after 50 years of service. Chris has spent his entire working life with the Council and its predecessor, Clitheroe Borough Council.

The Mayor also made presentations to staff who had achieved 25 years' service with the Council. He presented gifts to:

- Mark Edmondson – Head of Revenues and Benefits;
- Michelle Haworth – Principal Policy and Performance Officer.

The Mayor thanked the staff for their loyalty and commitment to the Council and for all their dedicated work over the years.

698 REVENUE BUDGET 2022/23 AND CAPITAL PROGRAMME 2022/23 – 2024/25 AND SETTING THE COUNCIL TAX FOR EACH CATEGORY OF DWELLING IN THE COUNCIL'S AREA FOR 2022/23

Consideration was given to the written report of the Director of Resources concerning the budget for 2022/23 and the setting of the different amounts of Council Tax for different parts of the Council's area where special items applied (Parish Precepts).

The report set out the budget summary of the financial year 2022/2023 which contained details of revenue and capital requirements. Approval of the budget proposals contained in the report was proposed by Councillor S Atkinson and seconded by Councillor S Hore.

The Leader presented his budget speech outlining the key economic issues that had been taken into account in setting the budget. He was pleased that it was proposed to remove the 12% reduction in support to working age local council tax support claimants.

As a consequence, Policy and Finance Committee had recommended a £5 increase in Council Tax for the financial year 2022/23.

The Leader recommended the Council's budget and Council Tax for 2022/2023.

The Leader expressed his thanks for the time and effort Committee, Officers and the Budget Working Group had dedicated to achieving the budget as presented.

In supporting the proposals, Councillor Fletcher hoped that the Council would retain ownership of the Over 60's premises in Longridge and the former Salvation Army premises in Clitheroe. He also hoped that the Council's Discretionary Council Tax Rebate funding would be targeted at those most vulnerable residents.

#### LEADER'S REPORT

The Leader began by expressing his support for the people of the Ukraine, in light of recent events. He reported that he had had a briefing from the Housing Strategy Officer on how the Council might be involved in supporting refugees coming to the Ribble Valley.

The Leader also said that the Council's thoughts were with residents and families who had been affected by a house fire on Queen Street in Whalley earlier in the day. This had affected 5 households and the Council had been involved in helping with residents find alternative accommodation.

The Leader reminded Members that at the last Council meeting, it had been unanimously agreed to take forward the County deal to Government. He noted that the Levelling Up white paper had been published on 2 February 2022 and that Lancashire's request as agreed, did not fit the governance structures that the Council had voted for but he was pleased to report that after further discussions the agreed position was to take forward the deal that had been presented to Council to Government.

The Leader reported that the Government had announced that the replacement to the European Regional Development Funding would be known as the UK Shares Prosperity Funding UK. Unlike the European Funding, there would be an allocation to every lower tier Council, although like the existing European Funding, the most deprived areas would receive a higher allocation, however the Council was expected to receive a multi-year funding package soon.

The Leader went on to update Members on a recent meeting with Lancashire County Council's Leader and Chief Executive to discuss a number of matters relating to Ribble Valley.

Finally, the Leader updated Members on a recent TV commission which had been filmed in the borough and was due to be aired on TV in June and a project to shoot a major feature film in the borough. He noted the importance of such projects to our

visitor economy and thanked all the officers who had worked hard to deliver the projects.

#### LEADER'S QUESTION TIME

The Leader of the opposition, Councillor Fletcher, asked the Leader how the Council would help and support those directly affected by the current conflict in the Ukraine.

The Leader thanked Councillor Fletcher for his question and confirmed that the Council would support a wider Refugee Settlement Programme if one was introduced by the Government.

He noted that currently there were two visa schemes, one for those with family links in the United Kingdom and another for refugees sponsored by Churches and Community Groups. He awaited details of how the sponsorship scheme would work. He noted that the situation was a very fast moving humanitarian crisis and one that the Council would be watching closely to see how it could help.

In a supplementary question, Councillor Fletcher asked if the Council could agree to send a letter of support to show solidarity with the Ukrainian people. The Leader confirmed that, with the Council's support, he would send a letter of support to the Ukrainian Embassy on the Council's behalf.

Next Councillor Fletcher noted that Suffolk County Council had taken the decision to sever ties with the Russian owned energy company Gazprom and other Council's were taking similar measures. He asked if the Leader could confirm whether the Council had any contracts with Russian suppliers, and if so, was it looking for alternatives.

The Leader confirmed that the Council was reviewing all its contracts to see if there are any links with Russian businesses. The Council's gas supplier had already confirmed that they had no trading or other relationships with Gazprom or Russia.

Finally, Councillor Fletcher referred Members to a quote from the official record of Parliamentary Proceedings (Hansard) from 1957 which noted investigations that had been taken into excessive pollution in the Ribble Valley. Councillor Fletcher noted that the borough was still experiencing unacceptable levels of pollution in its watercourses and asked how the Council could pressure the Environment Agency into taking action. The Leader noted that where cases of pollution were brought to the attention of the Council they were reported to the Environment Agency, although he had found that recent response to any such incidents had not been as comprehensive as in the past. He was hopeful that a representative from the Environment Agency would attend a meeting of Health and Housing Committee in the near future to discuss concerns with pollution in the Ribble Valley.
