Good Afternoon,

I am writing to strongly object to the late night refreshment license at the Spread Eagle Inn, Sawley. It is located in a residential village and within the conservation area of Sawley. Our property is approximately 10 m away from the beer garden and this makes it completely unsuitable. We are already disturbed by the noise with people gathering talking loudly until 11 pm at night, [REDACTED]

Section 9 which protects the residents from noise and antisocial behaviour needs to stay within the license. The licensee's request to remove this suggest they are expecting loud noise and behaviour which disturbs local residents to occur.

We witnessed antisocial behaviour on Friday, April 7th with guests from a wedding congregating outside our property with drinks in their hands surrounding our cars and causing a public nuisance. There was a significant amount of shouting and screaming. We contacted the spread eagle twice by telephone to control their guests, and no action was taken by them. The removal of section 13 would further exacerbate this form of public nuisance.

A late night refreshment license would significantly increase noise levels after 1 am with people waiting around for taxis with an increased risk of crime and disorder. I regularly work shifts and my personal safety would be put at risk with people waiting around as there is no street lighting within the conservation area.

To summarise the village location and close proximity to residential houses makes this change in licence completely unsuitable.

Kind Regards

To whom it may concern,

My name is [REDACTED] and I live at [REDACTED]

I wish to voice my concern and object to the late night refreshment licence and variation in condition of the licence at the Spread Eagle Inn, Sawley.

The reasons for my objections are as follows...

Section 9 - The beer garden faces the rear of our property and the management should have a duty and responsibility to ensure local residents are not disturbed after 11pm and noise levels are within acceptable parameters at all times otherwise this could be considered as a public nuisance. (The council recommend this area is not used after 10pm). Lifting this restriction would be a total disregard for the well-being of local residents nearby. Just recently, 24.6.23 taxi's were arriving as late as 12pm to pick up guests leaving via the beer garden, what time will taxi's be arriving if the licence is extended to 1am? This would also be considered a public nuisance.

Section 10 - I feel this would be inappropriate as residents should have a say in regard to firework displays etc. Once again this is an area that could be classed as a public nuisance and especially without prior consent. Local residents have pets and we wouldn't expect to be woken up by firework displays etc beyond 11pm.

Section 13 - Restrictions regarding the sale of open bottles, cans or glasses off site. We have previously raised a concern regarding people gathering outside our home with drinks and shouting on 24.6.23. This has not happened since

but by lifting the restrictions we fear this could be repeated. Sawley Rd is busy and people walking around off premises with drinks and glasses is a risk to public safety. I also believe this could increase crime and disorder within the village.

I am concerned the Spread Eagle pub applying to relax their licensing restrictions would suggest they have little or no regard for the local residents and their safety. If there were no issues there would be no reason to relax the restrictions. Sawley village is in a conservation area and steeped in history and a late licence is inappropriate for such a location.

Kind regards,

I wish to comment on the Variation application.

1. I can understand why the applicant wishes to extend LNR to 1.00, as presumably this will avoid having to regularly apply for Temporary Event Approval.
2. I am however concerned as to why the applicant wishes to remove a number of the Conditions in Annex 2, and no detailed reasons have been given. In particular:

- a) The existing Condition 9 states that "Outdoor areas, such as beer gardens, shall not be used after 11pm", with a comment that it is recommended that patrons be brought in from the outdoor areas by 10pm. The new proposal is that "The beer garden shall not be used for the consumption of alcohol after 23.00". This is a considerable alteration, and would not be welcomed by local residents.
- b) Existing Condition 10 requires notice to be given of fireworks etc. The applicant wishes to remove this condition and no reasons are given.
- c) The applicant also wishes to remove Condition 13 which currently stops customers from taking open bottles, cans or glasses off site. Again no reason has been given, and removal of the Condition is likely to lead to more disturbance for local residents.

In conclusion, I feel it would be wrong to remove the Annex 2 conditions without more detailed analysis. Sawley is a quiet village, and the current provisions which encourage clearance of the outside areas after 10pm seem reasonable and in keeping with village life. The applicant has made no case to have these conditions removed.

I have written this as a Parish Councillor for Sawley. I cannot say I am writing on behalf of the Bolton by Bowland, Gisburn Forrest and Sawley Parish Council, as we have not had a meeting at which this has been discussed, but I would expect the PC to agree with my thoughts.

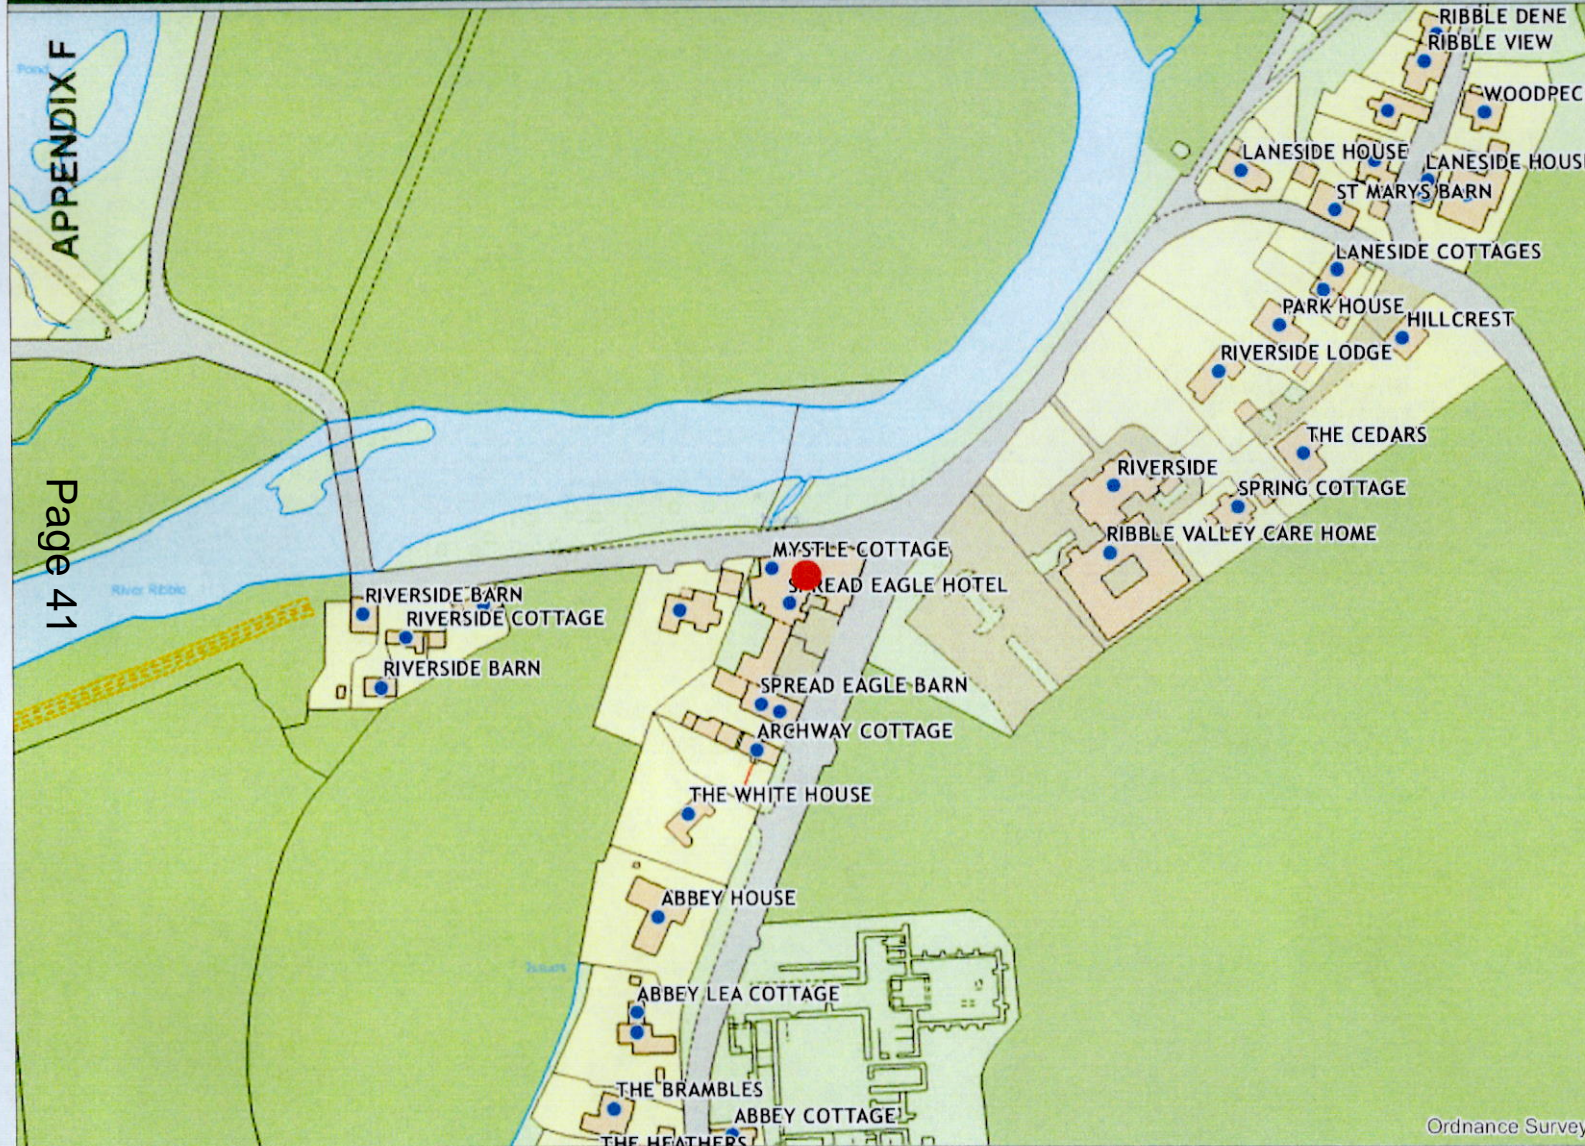

Yours faithfully
