VARIATION

Do you want the proposed
variation to have effect as
soon as possible?

Yes

No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

Yes

No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

This variation is to amend condition 5 at Annex 2 that limits the number of tables to one table outside the premises.

Since opening following lockdown, TEN's have been in force relieving the licence holder from this condition to enable them to allow more customers to sit outside and enjoy refreshment during their shopping visit. The need to social distance and stay safe is going to continue for a considerable time to come and the licence holder needs to have the facility to offer more tables and chairs outside for people who do not feel comfortable being inside the premises.

In addition to the obvious issues of COVID, as the premises is small (and due to the design of the building as an art studio), it has no windows downstairs and only one door. As a result it gets hot inside the premises and people find it more comfortable to take a seat outside rather than in the premises.

In the short time the premises has been operating it has become clear that the condition is not fit for purpose and needs to be amended. The applicant proposes the following as an alternative:

'Customers shall only be allowed to consume alcohol outdoors on the premises when seated at tables located at the front of the premises. The tables and chairs shall be located in such a position as not to obstruct the exit from the premises'.
