## OFFICER DELEGATION SCHEME

### PART 1: GUIDANCE AND BACKGROUND

#### 1. INTRODUCTION

- 1.1 This scheme in Part 3(2) of the Ribble Valley Borough Council's ("**the Council**") Constitution deals with delegations from the Council and its committees to officers of the Council. Delegations to committees and subcommittees are set out in Part 3(1) of the Council's Constitution.
- 1.2 The scheme aims to provide evidence that the Council (or one of its committees) has authorised a particular officer of the Council to take an action or make a decision in given circumstances.
- 1.3 The scheme meets the requirement in section 100G(2) of the Local Government Act 1972 that the Council should maintain a list: (a) specifying those powers of the council which are exercisable by officers of the council in pursuance of arrangements made under the 1972 Act or any other enactment for their discharge by those officers; and (b) stating the title of the officer by whom each of the powers so specified is exercisable.
- 1.4 No part of this scheme is intended to be a job description or a summary of the work of any officer or his directorate.

Guidance notes, intended to assist officers to whom functions are delegated under this Scheme are included in text boxes, like this one.

#### 2. LEGISLATIVE FRAMEWORK

- 2.1 Section 101(1) of the Local Government Act 1972 empowers the Council to delegate certain of its functions to a committee, sub-committee or officer of the Council, or to another local authority.
- 2.2 Only the body or officer on whom a statutory power has been conferred may exercise that power, unless sub-delegation has been expressly authorised by words or necessary implications. Section 101(2) of the Local Government Act 1972 contains such a (limited) express power to sub-delegate. It provides that committees are empowered to sub-delegate to sub-committees or to officers, and that sub-committees are empowered to sub-delegate to officers, unless the Council otherwise directs.
- 2.3 In general a delegation by the Council does not imply a parting with authority. The Council retains not only the power to revoke the grant but also the power to act concurrently on matters within the area of delegated authority (except in so far as the Council may already have become bound by an act of its delegate). Section 101(4) formalises this general position in respect of delegation arrangements made by the Council or one of its committees, by providing that such arrangements shall not prevent the authority or the committee by whom the arrangements are made from exercising those functions (i.e. they retain concurrent power to do so).
- 2.4 Legislative provisions prescribe that certain of the Council's functions may not be delegated. These include:
  - levying, or issuing a precept for a rate (as per section 101(6) of the Local Government Act 1972); and
  - functions listed in paragraphs 2, 3 or 4 of Regulation 4 of the Local Authorities (Alternative Arrangements)(England) Regulations 2001.

#### 3. DECISION MAKING

- 3.1 Article 9.2 of the Council's Constitution sets out principles in accordance with which decisions of the Council should be taken. It lists the factors, and the documents

## OFFICER DELEGATION SCHEME

(such as the Contract Procedure Rules and the Financial Regulations), which must be taken into account before taking any such decision. **Where decisions are made or actions are taken by an officer under delegated powers, the officer must take each of these listed matters into account.**

- 3.2 Decisions are open to challenge and review in a number of ways. It is therefore important to be able to demonstrate that they have been taken in a manner that avoids challenge.

Decisions which are overturned will often have been successfully challenged not because they were 'wrong' but because they have been reached following a flawed process. Areas of action and decision-making by local authorities which typically give rise to challenge include: failure to take into account relevant considerations, either as required by law or such as would be taken into account by any reasonable person; taking into account irrelevant considerations; acting so unreasonably such that no reasonable body of persons could have so acted; failure to direct itself properly in law; exercising a power for a purpose for which it was not conferred; acting in bad faith or for an improper motive, fettering or failing to exercise discretion through improper delegation; failure to consult or to consult properly, either as a matter of statute or legitimate expectation; and failure to act fairly or observe procedural requirements.

- 3.3 Officers are accountable to the Council for any day-to-day decisions they make or for which they are responsible.
- 3.4 The significance of decisions taken under this scheme of delegation will vary. Those to whom functions are delegated under this scheme, and those they authorise to carry out tasks on their behalf, will need to exercise their discretion to decide whether day-to-day decisions are significant enough to require formally recording.
- 3.5 Officers are responsible for ensuring that sufficient evidence is kept about the decision and the reasons for it. Evidence may be required for a Judicial Review, Employment Tribunal, Ombudsman, District Audit, Court or other proceedings or investigation.

If an officer-made decision were challenged, the officer would wish to demonstrate that the proper processes were complied with. To be able to do this, the officer should keep adequate records so that s/he can refer to these and produce them if necessary. Records might include written notes of relevant meetings and discussions and copies of papers considered in making a decision. It is best practice to keep a clear note of all considerations taken into account with reasons why they were considered relevant and why matters not considered were thought not to be relevant. Generally, giving reasons is an accepted 'best practice' principle of good administration and the practice may be important in ensuring that controversial decisions are rooted in relevant considerations and with proper regard to available legal powers.

- 3.6 Officers are responsible for ensuring that all those who need to know are informed promptly of the decision.
- 3.7 Officers are responsible for ensuring that consultation is undertaken where appropriate and especially where they are aware that the decision is likely to be controversial. In particular, an officer should consult with:
- the Head of Legal and Democratic Services or the Council's Solicitors before making any decision which could attract to the Council legal liability;
  - the Director of Resources or the Head of Financial Services in relation to any decision which has financial implications; and

## OFFICER DELEGATION SCHEME

- the Head of Legal and Democratic Services in relation to any decision which could involve the exercise by the Monitoring Officer of any of his or her powers.
- 3.8 It is important that where officers involved in making decisions have a registrable interest this is declared on the form to preserve the integrity of the process.

### **4. REFERRAL**

- 4.1 Whilst the scheme is designed to encourage officers to take responsibility for day-to-day decisions, an officer *may* decide that a particular issue is such that it should be referred to the appropriate committee for a decision to be taken.
- 4.2 Such a referral *must* take place where the proposed decision is in conflict with existing Council Policy or the matter raises new issues of policy.

## OFFICER DELEGATION SCHEME

### PART 2: GENERAL DELEGATIONS

#### 1. GENERAL DELEGATIONS

- 1.1 The Council delegates, subject to the requirements concerning the exercise of delegated powers set out in Parts 1 and 2 of this scheme:

  - 1.1.2 in respect of the officers, or the group of officers, named in Part 3 of this scheme, the functions described in that part, subject to consultation with the officer named in that part, where applicable;

- 1.2 Where the Council, a committee or a sub-committee gives authority for the doing of any thing the officer designated shall be entitled to take all necessary steps for the doing of such thing.
- 1.3 Where a delegation is made without naming an officer the delegation shall be deemed to authorise the Chief Executive or the appropriate Director to take such steps.
- 1.4 The Chief Executive may exercise the powers delegated to any Head of Service and to any Proper Officer except in relation to those functions allocated to the Director of Resources as Chief Financial Officer (within the meaning of the Local Government Act 1972 Section 151 and the Local Government Finance Act 1988 Sections 112-114A (unless he or she is qualified under the Local Government Finance Act 1988 Section 113)) and to the Monitoring Officer (within the meaning of the Local Government and Housing Act 1989 Sections 5, 5A).
- 1.5 The Chief Executive is the **Head of the Paid Service**.
- 1.6 The Director of Resources is the **Chief Finance Officer**.
- 1.7 The Head of Legal and Democratic Services is the **Monitoring Officer**.

- 1.9 In the event that a Head of Service's post ceases to exist or his or her responsibilities are transferred to another Head of Service (as the case may be), temporarily or permanently, then the powers given by this Scheme of Delegation shall be exercisable by the officer in whose area of responsibility the power falls to be exercised.
- 1.10 Any reference in this Scheme or its Appendix to an Act of Parliament includes reference to subordinate legislation made under it and to any modification and/or replacement of it or of such subordinate legislation.
- 1.11 This Scheme of Delegation shall come into effect on 30 August 2011.
- 1.12 Nothing in this Scheme of Delegation shall prejudice the validity of any actions taken by officers before 30 August 2011 under any previous scheme.

## 2. AUTHORISATIONS

- 2.1 Officers to whom functions are delegated under this scheme may not sub-delegate those functions. However, where it would be impracticable for all the powers and duties conferred on a named person to be performed by that individual, that person may **authorise** officers in their departments to perform tasks, or to carry out specific statutory functions under the provisions of relevant legislation, on their behalf.
- 2.2 Each Director will ensure that where s/he wishes to authorise officers within her/his department to sign documents or perform functions on her/his behalf s/he will:
- 2.2.1 Where applicable, complete an entry in the "**Authorisation Signatures**" list, naming the officer, the tasks which that officer is authorised to perform, and including the signature of the officer, and provide the Director of Resources with a copy of that list; and
- 2.2.2 Where applicable, comply with the requirements of the Council's Financial Regulations in terms of maintaining a written record and supplying copies of this to the Director of Resources.

## OFFICER DELEGATION SCHEME

2.3 An officer authorised by a Director will perform the tasks on behalf of the authorising Director. Any decisions taken under this, or any other similar authority, shall remain the responsibility of the relevant Director and must be taken in the name of that Director.

### **3. OTHER PROVISIONS REGARDING GENERAL DELEGATION**

3.1 Many of the functions delegated under this scheme are delegated to the Chief Executive, a Director or to the Head of Legal and Democratic Services.

3.2 References to Directors, unless expressly otherwise provided, include the Chief Executive.

3.3 Officers shall have delegated powers to make decisions on behalf of the Council in respect of those matters that are delegated to them within this scheme.

3.4 Where a delegation is made but without naming an officer, the delegation shall be deemed to be a delegation to the Chief Executive, or to the Director responsible for that service area.

3.5 Directors and Heads of Service delegated to under this scheme may authorise officers as explained in paragraph 2 of this Part, above.

3.6 Where a Director is to be absent for any period, that Director may nominate to the Chief Executive, in writing, another officer to act in that capacity during the period of absence.

3.7 The Chief Executive may appoint one or more deputies to exercise his or her functions owing to absence or illness and such deputy is or such deputies are authorised to exercise the functions of the Chief Executive pursuant to the Constitution, Financial Regulations and this Scheme of Delegation except in relation to those functions allocated to the Director of Resources as Chief Finance Officer (within the meaning of the Local Government Act 1972 Section 151 and the Local Government Finance Act 1988 Sections 112-114A (unless he or she is qualified under the Local Government Finance Act 1988 Section 113)) and to the Monitoring Officer (within the meaning of the Local Government and Housing Act 1989 Sections 5, 5A).

3.8 In cases of emergency, when Directors do not have delegated powers they shall refer matters to the Council's Emergency Committee.

3.9 Paragraphs 4-8 of this Part below set out how the Council has delegated its functions to officers in specific areas and more generally.

### **4. FINANCIAL MATTERS**

4.1 Paragraph 3.1 of Part 1 of this scheme sets out the matters which must be taken into account when any decision is made or task undertaken by an officer under this scheme. These include compliance with the Financial Regulations. Section 4(5) of the Financial Regulations provides that directors may not enter into any new arrangements or other contractual commitments with long-term revenue consequences without the prior written consent of the Director of Resources. Directors should therefore ensure that they comply with this, and any other, provision of the Financial Regulations when making decisions on financial matters.

4.2 Subject to Parts 1 and 2 of this Scheme, Directors are authorised to:

4.2.1 incur expenditure in respect of items included in approved revenue budgets; and

4.2.2 incur expenditure on capital schemes that are included within an approved capital programme subject to the provisos set out in Section 5(4) of the Financial Regulations.

## OFFICER DELEGATION SCHEME

4.3 If a Director wishes to incur expenditure outside the approved budget head or capital programme provision, the procedures set out in Section 6(4) and (5) of the Financial Regulations shall apply. The Directors shall be authorised to act up to the limits set out in the scheme of virements set out in Section 6(4) of the Financial Regulations.
