

RIBBLE VALLEY BOROUGH COUNCIL REPORT TO COMMUNITY SERVICES COMMITTEE

meeting date: TUESDAY 12 MARCH 2024
title: RECREATION/CULTURE, SPORTS AND ARTS GRANTS
submitted by: ADAM ALLEN, DIRECTOR OF COMMUNITY SERVICES
principal author: MARK BEVERIDGE, HEAD OF SERVICE, CULTURAL & LEISURE SERVICES

1 PURPOSE

- 1.1 To present the recommendations of the working group in relation to the allocation of grants under Recreation/Culture/Arts Development, Individual Sporting Excellence and Individual Arts Excellence.
- 1.2 Relevance to the Council's ambitions and priorities:
 - Community Objectives – To be a well-managed Council providing efficient and responsive services based on identified customer need.
 - Corporate Priorities – To make people's lives safer and healthier and more specially to increase peoples' opportunities to access cultural activities and improve outcomes for children and young people.
 - Other Considerations – Some of the grants provide a multiplier impact as the organisations receiving a Council grant can match fund with other external sources.

2 BACKGROUND

- 2.1 The purpose of Recreation/Culture and Arts Development grants is to provide organisations with support for projects which enhance recreational and culture provision as well as helping arts organisations with activities which have a specific arts focus.
- 2.2 The Council's Sporting Excellence grants seek to assist talented young sports people in their chosen sport, helping towards the expenses associated with competition, training and equipment.
- 2.3 Arts Excellence grants are similar to Sporting Excellence and are awarded to people in the performing arts.

3. ISSUES

- 3.1 It is encouraging to see the range of grants from different projects in the recreational and arts sectors that have been submitted with a good spread across the whole of the Borough.
- 3.2 Although the scale of grants is relatively low in monetary value, compared to say the lottery, they are none the less well received by the individuals and organisations in receipt of them.

- 3.3 The ease of application and relative speed with which organisations receive an answer often helps where the Council funding is a part of a larger basket of funding being put together. This pump prime effect and the added boost they provide cannot be overestimated. These grants often provide the additionality required by organisations which help them to get funds from national schemes.
- 3.4 Of the 26 applications received for Arts Excellence grants, 14 achieved the standard set out in the criteria required to receive a grant. The remaining ones will be encouraged to continue to pursue their activity and may perhaps receive grant aid in the future.
- 3.5 All 23 applicants who applied under the sporting excellence grant scheme were at least competing at County level and are therefore all recommended to be awarded a grant according to the criteria. Further applications were received after the closing date which were not awarded funding.
- 3.6 Committee set up a member working group to consider the applications and to make recommendations for awards.
- 3.7 That group is made up of Councillors Newmark, Robinson, Alcock, Street and Barnsley and it met on 20 February 2024 to measure applications received against the qualification criteria set by this committee under each heading.
- 3.8 The group was advised by the Councils' Sports Development Officer, Arts Development Officer the Head of Cultural and Leisure Services, Principal Accountant and Director of Community Services.
- 3.9 The group was impressed with the quality of many of the applications but recognised – as in previous years – the difficulty of allocating limited resources by assessing comparative values of (for the most part) applications that deserve more support than the Council can give.
- 3.10 Every application was discussed/debated and the conclusions reached at the end of the group's deliberations form the recommended awards included in the appendixes 1 – 3. It is worth noting that, although there was debate about the relative merits of some applications, the group was satisfied at the conclusion of the process with the overall balance of its recommendations.
- 3.11 Fifteen applications made to the Voluntary Organisations Grant scheme were transferred to the Recreation grants scheme. Several schemes are being put forward to be offered funding.

4.3 At the meeting of the grants panel, not all the information from the groups making applications for funding was available, largely due to those which applied for voluntary organisation grants, do not have provide as much information to meet the criteria for that scheme as for the Rec and Culture grants. This means that currently the grant budget is underspent. This information is still being sought and once submitted recommendations will be made to the grants panel for consideration. This report recommendation provides a way for these groups, if eligible, to be considered and not have to wait for the new civic year before being awarded a grant. The outcome of those awards will if agreed be provided to Committee at its next meeting.
